

Women's Leadership Alliance Nonprofit Charitable Donation Form

The Women's Leadership Alliance provides education and financial support to women pursuing a career in the financial advisory profession. The WLA is a registered 501(c)3 nonprofit organization founded by a group of women financial advisors from around the country.

Our mission is to attract, develop and engage the most promising women leaders and support them in financial advisory education, engagement and leadership opportunities. Contributions to the organization help sustain these initiatives.

As a donor to the Women's Leadership Alliance's annual fund, your support will:

- Contribute to positively impact the profession of financial advising by helping to increase and diversify the number of women financial advisors.
- Help more women discover financial services as a rewarding career and discipline.
- Educate students in colleges and universities about the opportunities in the financial services industry.
- Provide financial support to women pursuing their education in financial advising.
- Sustain the WLA mentor leadership to help early-career women in financial advising succeed.
- Motivate others from throughout the financial advisory profession to support women entering the business, and contribute to and become involved in the mission of the WLA.
- Help change the conversation about the financial industry by highlighting the value that women bring as financial advisors.
